DIRECTIONS

HAIR

Pre-shampoo treatment

Apply a generous amount to dry or damp hair and scalp. Leave on for 15 minutes; rinse thoroughly. Shampoo and condition (optional) as usual.

Intensive hydrating treatment

Apply a generous amount to damp hair and scalp. Place a warm moist towel around the head and leave on for 30 minutes. Rinse thoroughly; shampoo and condition (optional).

Leave-in finishing treatment

Apply a small amount to hair, concentrating on the ends. Style as usual.

Anti-frizz treatment

Rub a small amount between hands and apply to hair, concentrating on the ends. Style as usual.

Suggestion: Mix a pea size amount with conditioner or masque for added nutrition, protection and shine.

BODY

Facial moisturizer:

Apply morning and evening to face, neck and décolleté prior to moisturizer, concentrating on problem areas such as fine lines and wrinkles for instant hydration, protection, and improved texture and tone.

Suggestion: Great for all areas of the body that are prone to dryness such as cuticles, nails, elbows, knees, and heels.
